

Block of the Month-August 2007

Welcome to Block of the Month for 2007-2008. I'm Cheri Jolivet and this is my first time designing blocks for Northwest Quilters.

This year I am recommending that you make two blocks each month, one to share and one to keep. In the spring I will hand out a way to put your own 12 blocks together in a quilt top. This way you will have a top at the end of the year even if you are not a winner of block of the month.

For August we will do a simple appliqué watermelon patch. You may do hand or fused appliqué methods. For fused method, please finish with a hand or machine buttonhole stitch. You may embroider seeds for a realistic look.

CUT: a 6 1/2" square of your choice
background fabric-think tablecloth!
Add a green rind & watermelon

Please call if you have
Questions!
