

## Block of the Month December 2008

For December we will make the Tall Trees Blocks. Background will be sky fabric. Choose a green for your trees, and add a trunk. Make two of these blocks to exchange. You may decorate them for the holidays.

For each block, cut one A and one B & one reversed B. Cut 2 S sky pieces  $2\frac{1}{2}$ " x  $1\frac{1}{2}$ ", and one T trunk  $1$ " x  $1\frac{1}{2}$ ".

Sew B to A, matching dots. Sew Breverse to AB patch, matching dots. Sew an S to each side of T. Sew this patch to bottom of tree. Now decorate your tree.

Please call Cheri Jolivette if you have questions.
