

Block of the Month-July 2008

For July we will make a "Fourth of July" block in a paper-pieced nine-patch. Yes you can make a nine-patch star. Choose a B background night sky color. Choose to make the star A in a glorious color!

Sew 2 to 1, then sew 3 to 1 in first patch.

Sew 5 to 4, then sew 6 to 4 in second patch.

Now sew 8 to 7, then sew 9 to 7 in third patch.

Sew the first patch to the second patch, matching the tick.

Sew the third patch to the second patch, matching the double tick.

Congratulations! You have now finished all 12 blocks and and ready to make a top! Refer to my directions for assembling it!

Please call Cheri Jolivette if you have Questions!
