

Block of the Month-September 2008

For September we will make a Sailing Ship Block. Background will be a water fabric. Boat and sails are your choice. Block finishes 8" x 7" (8½" x 7½" unfinished).

Cut: boat B: 1 piece: 8½" x 2½"
 sails C: 3 pieces: 2½" squares
 sail D: 1 piece: 1½" square
 water W: 6 pieces 2½" squares
 water E: 2 pieces: 2½" x 4½"
 water F: 1 piece: 8½" x 1½"

Draw diagonal lines on back of C & D squares. Place these squares on W squares. Sew on drawn lines. Draw diagonal lines on other 2 W squares. Place on B rectangle as shown. Sew on drawn lines.

Then press all to edges, and trim away underpieces. Sew sail pieces together, then attach E to each side. Sew F on top and WBW on bottom.

Please call Cheri Jolivette if you have Questions!
