Assemble:

Make half-square triangles: Place F and H squares right side together. Draw diagonal line. Sew scant 1/4" seam on both sides of diagonal. See diagram. Cut along diagonal line.

Open and press, then trim to 2 1/2" square.

Use flip and turn method to make flying geese section of steeple roof. Place one I piece on G section and use the flip and turn method to sew together. Press open before attaching other I square.

Sew remaining pieces together following block diagram.

Finished size: 10 1/2" x 10 1/2" to make 10" x 10" quilt block.
